GIMNAZIJA ADAMIĆ

Workshop: Multilingual musical education

Monday, 23/04/2018 - Srednja škola Andrije Ljudevita Adamića

The goal of the workshop was to introduce Croatian language to Spanish and Italian students through popular Croatian song called „Mi plešemo" by Prljavo kazalište. The idea is that, through music as universal language,learning Croatian words would be easier and much more entertaining. In addition, the song is chosen beacuse it does not have many words and the melody is very catchy.
