2nd Transnational Project Meeting

Thessaloniki, 30 Sept. – 6 Oct. 2018

Participating countries:
Austria (coordinator), Spain, Italy, Croatia, Greece

Welcome to Thessaloniki, Greece

Welcome to Aristotelio College

Advantages of Erasmus+ Participation

- Learning about the culture of a foreign country.
- Create new acquaintances with students from partner schools in other countries.
- Education through travel!

*“from explorations to cities that we first visit and
all that our eyes see,
our mind opens and we think differently.”*

Advantages of Erasmus Participation

- Exchange of good practices.

«In the training program the participants exchange the methods and the effective practices they use in their countries and in their everyday life»

Let's build Europe Together!

Our purpose is:

To strengthen

- ✓ active citizenship in the EU
- ✓ intercultural understanding and a sense of belonging to the same European community.

To improve

- ✓ skills in the perspective of lifelong education
- ✓ our educational practices and teaching methods.

What are the particular issues that we are dealing with in our own project?

Political organizations

Legal systems

Form of governments in E.U.

European Parliament, Brussels

Active citizens and development

Opportunities for political participations
