“LET’S BUILD EUROPE TOGETHER”

CLASSROOM IMMERSION FOREIGN LANGUAGES

1st. Short-term exchange of group of pupils

“Political organization, legal systems, forms of government in the EU”

St. Paul im Lavanttal (Austria)

21st February 2018

Assignment of tasks

1. Brainstorming (10 minutes)

Individual work: using a mind map write 10 words in your mother tongue about the topic of the exchange "Political organization, legal systems and forms of government in the EU".

2. Comparison (10 minutes)

Group work: form 4 groups of 8 students (2 groups Austria, 1 group Greece, 1 group Italy).

Compare your results with students with the same mother tongue as yours. As results each language must produce 20 words on the project topic.

3. Reading comprehension on a specialised text (20 minutes)

Group work: form 4 groups of 8 students (2 groups Austria, 1 group Greece, 1 group Italy).

Each group read a specialised text on the project topic and underline the most important words. At the end each group will add a minimum of 5 English words to their word list.

Text: European Union (<https://www.britannica.com/print/article/196399>)

4. Output/Outcome: Word bank (30 minutes)

Group work: form 4 groups of 8 students considering the three languages attending the exchange (4 Austrian, 2 Greek, 2 Italian pupils. For each group there must be at least 2 students who design well).

Compare the words and create a word bank about the project topic in English and in all other languages attending the exchange.

 German	 Greek	 Italian	 English

5. Output/Outcome: Poster/Visualisation (30 minutes)

Group work: each group select what is the most important word and try to visualize it on a poster doing a drawing.
