

## Hi everybody!

My name is Laura Bogdan and I am 14 years old. I was born on the 12 of July in Wolfsberg in Carinthia. I live there with my mum, dad and my elder brother. I am currently a student of the Stiftsgymnasium St. Paul. I am in the ninth grade and my favourite subjects are Music, Chemistry and Italian.

## My family

My dad is an architect and my mum is a caregiver and they both work in Wolfsberg but sometimes my dad has to work abroad. I have an elder brother called Philipp. Philipp is 19 years old and he also attended the Stiftsgymnasium St. Paul. He is now working at my father's company until he starts studying at university next year. I have got a hamster called Esmeralda. I know the name is a weird but who cares.

## My hobbies

I spend most of my free time with playing instruments or singing. I have been playing the piano for 8 years and the guitar for 2 years now but I am able to play a lot more instruments. I have also been in a badminton club for one year now. One of my hobbies is a "special" one. I am part of the fire brigade in St. Johann. It is a very special hobby because you can help people in a difficult situation and I love helping people.

## My friends

I have three best friends: Anna, Denise and Larissa. Anna is in my class but Denise and Larissa are not. They go to the HTL in Wolfsberg. I love getting together with them because I always have fun with them. It is very annoying that we cannot meet every day but we try our best to meet as often as possible.
