

Emilia Anna Wutte

Hello everyone!

My name is Emilia Anna Wutte and I am 15 years old. I was born on November the 7th 2002 in Klagenfurt, the capital city of Carinthia, Austria. Currently I attend the 5th grade at the „Stiftsgymnasium St. Paul“ which is a catholic private high school in Saint Paul.

My Family

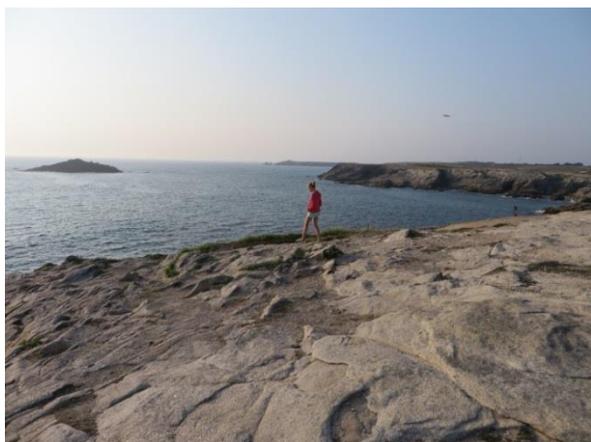

My family and I live in a small village near Völkermarkt. My dad works as a consultant for organic farming and my mum works at the „Carinthian Economic Promotion Fund“. I have two siblings, an older one, Antonia, and a younger one, Moritz. Antonia is 16 years old and attends the same school as I do. Moritz is 10 years old, he plays the drums and next year he will come to our school, too.

Most of my free time you will see me playing the violin. I have been playing it in a musical school since I was 5 years old and I have already participated in several competitions.

I prefer playing in a symphony orchestra rather than alone. Every year in autumn, I play in the „Jugendsinfonieorchester Unterkärnten“, in spring I participate in the „Alpen-Adria Jugendsinfonieorchester“ and in the summer holidays I attend the „Jeunesse Music Camp“ in Upper Austria where we play concerts at the end.

Once or twice a week, I also play with my sister, she plays the cello, and with my two friends, they play the violin and the viola, together as a quartet, which is called „sFOURzato“. In this composition, we play on lots of events. Furthermore, I love playing the piano since 2016. So, when I am stressed, I just have to get my violin out and play.

Additionally, I love riding, hiking and I also have a „time-share dog“, which is the dog of my neighbours, but they can't go out with him, so I do. Cooking is also one of my favourite spare time activities. I am a pescetarian, this means that I only eat fish, but no meat. I love Asian and French cuisine and mediterranean spices.

Some of my personal qualities are my ambition, my humor and my helpfulness. Moreover I am very authentic, creative, open-minded, optimistic and tolerant. When I am with my friends I am really crazy and hyped-up, too.
