Hello everybody!

My name is Antonia Zarfl, call me Tony, and I am 15 years old. I was born on the 24th May 2002 and I live in a house in a small village called St. Ulrich near St. Andrä with my parents and my little sister.

Me

My mum Claudia works at the hospital in Klagenfurt and my dad Christian works in the Technical Field Service and besides this he sells electronics on the internet. My sister called Emma is ten years old and she visits the same school, (´Stiftsgymnasium St.Paul´) as I do.

My family

In my free-time I like to meet my friends, listen to music ride my motocross and to kitesurf (as you see on the picture below). I also like to spend time with my rabbits in the nature and playing Badminton with my friends.

My rabbit

I spend a lot of time at the sea camping with my family and some friends because of my unusual hobby. We often drive to the sea at the weekends just for a few hours of kiting. It´s the best way to get away from all the school-stress ;)
