

Introduction of myself

Hello everybody!

My name is Vasileia Gkanatsiou and I am 15 years old. I was born on the 6th August 2002 in Thessaloniki, the co-capital of Greece. I live in Ano Toumpa, which is 15 minutes from the center of Thessaloniki.

My father, Dimitris, is an electrical engineer and my mother, Eleni, is an economist. I have an older sister. Her name is Anastasia, she is 18 years old and she is a student.

I also have a dog. Her name is Zina.

This year I started attending Aristoteleio College, which is a private high school in Pilea, Thessaloniki.

In my free time, I like meeting my friends, watching movies, listening to music and shopping.

I also do kick boxing twice a week.

My favorite food is gyro with pita bread, which is a very common dish, served in many places in Thessaloniki. I also like trying food from other countries.

I'm really looking forward to meet other people of the „Erasmus- project” and to visit the other country.
