

My name is Elisavet Kanidou and I am 15 years old. I was born in Greece and I live in Thessaloniki. I have been a new transfer student at my school. I have one other sibling. Her name is Mary and she is a year older than me. My father's name is Akis and works in a bank and my mother's name is Elena and she is a housewife. In my free time I mainly hang out with my friends, go shopping, listen to music and watching TV. I do not have a favourite food but I like eating potatoes. I find this Erasmus program to be an amazing opportunity to meet people from other places. I am looking forward to meeting you.
