

My name is Athanasia Karantona and I am 15 years old. I was born in Thessaloniki, and I live in Perea. I am attending the first class of high school and I am in Aristotelio College for 1 year.

I have 1 brother, his name is George and he is 10 years old. He loves skiing.

My father Stelios, is 43 years old and he is doctor and he loves playing tennis.

My mother Catherine, is 41 years old and she is nurse.

Both are very polite and are willing to meet you.

I don't have any pets.

In my free time I use to play football in my team, called PAOK.

I love listening music and going out with my friends.

My favorite food is pasta with tomato sauce but I like tasting new foods.

I really want to meet students from another country, because I want to learn a lot about them, to see how they live, and the most important to have fun together.
