

Hi there,

My name is Joanna Kortara and I am 15 years old. I live in the second largest city of Greece, Thessaloniki. I have been attending Aristoteleio College for the past 10 years!

I have two siblings, one sister and one brother both younger than me. My sister's name is Elina and she is 13 years old and my brother's name is Jim and he is 7 years younger than me.

I live with my mom whose name is Anna. She is very kind and generous. She is working as a math teacher in my school.

I spend my free time reading books (I really love Jo's Nesbo books), watching movies and swimming. Also, I enjoy hanging out with my friends and long walks.

I look forward to hearing from you and of course meeting you in person!
