

Introduction of myself

Hello,

My name is Anastasia Zerva and I am 15 years old. I was born on the 22nd of December 2002 in Patras ,Greece. I live with my family in an area of Thessaloniki called “Panorama” since 2014.I am at the 1st grade of Senior High School in Aristoteleio College of Thessaloniki and this is my fourth year in the school.

My mother is called Olga and she is an English teacher in a primary school in Kilkis , which is a small town 50km away from my house. My dad, Aristides, is a financial manager in a company ,which is also in Kilkis. I have a sister called Elvira and she is 17 years old. This is her last year in school and next year she will attend university.

My hobby is basketball and I have been a member of a girls team for seven years. I also like listening to music and spend time with my friends on the weekends. I love travelling to other countries and I have already been abroad for several times and my favourite destination so far is England. In the future I want to visit America and Spain. My favourite food is cooked rooster, which is a kind of chicken, with pasta. I am so excited to meet all of the students, who are taking part on this project.
