Hello!

My name is Matej Dunić, I am 16 years old, born on the 21st of February 2001 in Zadar. Currently I am attending the 3rd grade in Gimnazija Adamić high-school. I live in Rijeka in a nice house with two floors, it's pretty neat, because inside the house you can play darts, pool, table-tennis, poker, roulette and many more the house itself is also beautiful. I have a brother he is older than me 5 years, his name is Ante, he is currently at college, my father's name is Dalibor he works as an electrician he has a hobby of fixing anything, my mother's name is Tihana, she doesn't work but she does most of the work around the house, my family and I don't have pets but there are cats around our house who are pretty much regular visitors, there is currently 6 of them.

In my freetime I like to play bass or any other instrument I can get my hands on, I also like going out and chatting with friends, hanging out for short, I love to travel because why not? Love listening to music anything from the 50s to the 90s and 2000s

My favorite thing to do is watching movies or a movie marathon, playing games no matter how much I like to go outside and have fun also I like to think a lot mostly at night.

My hobbies include cooking, singing, playing bass guitar, basically anything to kill boredom

That is me.
