Hi, my name is Lea and I'm 16 years old. I live in a flat, on second floor, with my mum and dad. I dont have any siblings but I do have two cousins that I am really fond of . I go to highschool Andrije Ljudevita Adamića in second grade, and I live really close to my school. I have been training atlethics for 11 but I stoped this year and I joined a karate club. I have also been acting since I was eight years old, and I have high hopes in becoming an actress. I love spending time in nature and listening to music, and hanging out with my friends. I also enjoy a good book, and I actually prefer them more than movies. I love animals and I used to have a cat but right now I do not have any pets at my house. I recently cut my hair really short and I dont have a lot of pictures with it so I will have to put in here the pictures of when I had long hair.

This is me and my mother.

This is me while I still had my long hair hehe.

And this is my favurite coffe shop in our town cause everyone there is always super frendly!
