

Introduction of myself

HELLO!

My name is Lara Jamnik. I am 17 years old. I live with my family in the city of Rijeka which is located in Croatia. I attend a private high school Andrija Ljudevit Adamić.

My mother Nataša, is a doctor and she works in the elderly home. My father, Gordan works in a firm as a trader. I also have a brother Goran who is 26 years old, and lives half time in Rijeka, and half time in Chicago, America. We also have a dog named Luna, and I really like to play with her and cuddle.

I love listening to music, especially pop. Also, I love animals and how they make me feel. And another thing which I am really interested in is fashion.

I like to spend my free time with my friends or my family. My best friend is called Marta and we have known each other since we were 7 years old. If my friends had to describe me, they would say that I am talkative, funny, and always smiling.

I love to travel, have new experiences, meet new people from other countries and learn about their cultures. I am looking forward to meeting you!
