

INTRODUCTION OF MYSELF

Hello!

My name is Ante Jurić and I was born on the 9th of May 2001 so I am 16 years old. I live in beautiful flat in Rijeka and I go to the second grade of private high school Andrija Ljudevit Adamić.

After high school, I want to study medicine because I have always wanted to become a physiotherapist. I live together with my family in Rijeka. I have a brother Lucian, he is 18 and a sister Chiara, she is 10. My mum, Suzana, is a lawyer and my dad, Danijel, is a programmer. We also have two dogs, Lory is 2 years old, and Čoki is 1 year old .

In my free-time I love swimming, meeting new friends, playing football,listening to music and my favourite musician is Saša Kovačević.

I love meeting new friends and traveling around the world because I think that exploring new cultures and languages are one of the greatest things in the world. I am happy to live in Croatia because it is a beautiful country which has a wonderful sea.
