

Introduction of myself

Hey! My name is Lovro Karajković and I am 15 years old. Currently I am a student of the "Srednja Škola Andrije Ljudevita Adamića". I am in the 1st grade now. I live in a city called Rijeka which is located in Croatia. I live there with my parents and 2 brothers. I also have a small dog called Bela. This is me.

My mother works as a lawyer, and my father works as a marine assistant and he travels around the world a lot. Me myself had a luck to also see a lot of countries. In summer, I often go to the island of Krk with my family. I also have a lot of friends there. I enjoy swimming and jumping off the cliff in the sea. This is Baška, a place on Krk where I spend my time in summer.

In my free time I mostly go out and spend my free time with my friends. I train basketball, but I like playing football too. I also enjoy playing games on my PC. I love music, and I listen mostly rap and pop genre. One of my favorite rappers is called Duki. This is my dog Bela.

These are some of my classmates. This picture was taken during our school trip to Sicily.
