

Introduction of myself

My name is Hana Kraljić. I was born on March 5th 2002 in a town in Croatia called Rijeka. I live with my mom and dad in a flat and very soon there is going to be a third part of the family; new dog. I don't have any brothers or sisters but my three cousins are like their replacement. The oldest one is Fran, he is 18. I spend the most time with Lara, she is 15 years old just like me. And I musn't forget the youngest and the cutest one; Ivor. He has 11 years.

Me and Lara

I go to high school "Andrije Ljudevita Adamića". My dream job is to be an architect and hopefully live in London one day. But I think that this school is going to help me learn about life and succeed in the future. In my free time I usually hangout with my friends or family. I also enjoy working out and going to the gym.

My mom and dad

I really love animals and everything that is related to them is very relaxing and funny to do for me. I can't imagine my life without having a friend as a pet.

The most I enjoy traveling. Both with my family or friends. Seeing different cultures and sightseeing was always my passion. My high school offers me very exciting excursions every year.

I also enjoy listening to music. My favorite genre is pop so I always enjoy to listen to Ed Sheeran and my favorite artist Shawn Mendes.

I can definitely describe myself as creative, friendly, funny and helpful.
