Introduction of myself

Hello!

My name is Lara and I am 15 years old. I was born on the 9th of October 2002. I am a freshman in a private high school Andrija Ljudevit Adamić.

Apart from eating and sleeping I love acting, singing and excercising. I go to acting classes to an organization called "TRY Theatre" where we act in English. I love acting in English because that way I can improve my English skils.

I have been singing for 12 years now and it is definitely something I want to focus on in life. I like listening to older music, like the Beatles and really calm music like "Summer salt" or Jaden Smith. Sometimes I like to be a basic teenage fangirl so I mainly listen to Bars and Melody & Marcus and Martinus.

I sing in a school band but we dont have a name yet.

There are 5 members of the bend and I am the vocal and all the other guys play the guitar/bass. We work on songs like Proud Mary or Red Hot Chili Peppers.

This is a picture of us, trying to recreate The Beatles⇒

I go to the GYM 2 times a week and I also do fit box, which is boxing but only with the bag.I started reading constantly about a year ago and since than I am totally a bookwarm, booklover, bookeverithig haha. I love collecting books and in this year I collected about 70 books.

Some of my favorites are:

- "Miss Peregrines home for peculiar children" by Ransome Riggs,
- "To all the boys I loved before" by Jenny Han
- "The selection" series by Kiera Cass

I also have a youtube channel but almost all my videos are on private at the moment because I was bullied a lot but I will soon start posting again.

Other things I love are filming, photography, drawing and traveling.

I cant wait to meet you all! Byeeeee♥
