

Introduction of myself

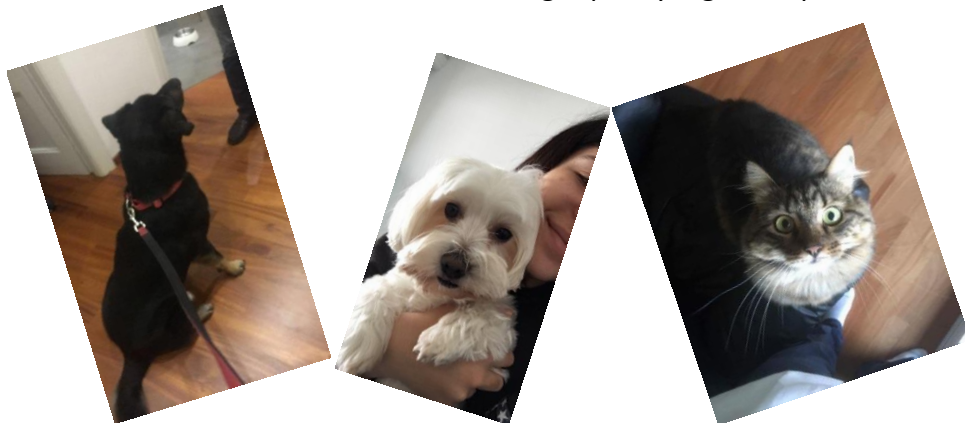

Hello 😊

My name is Lara Stroligo and I am 14 years old. I was born on 2nd of February 2003 and I'm from Rijeka, Croatia. I attend the first grade of high school in Gimnazija Adamić, which I live next to.

My parents are divorced so I live with my mom and my stepdad.

My mom's name is Maja and she is an eye doctor in a local hospital called KBC. Paolo, my older brother, he doesn't attend the same school as I do.

We also have pets. There is our cat and two dogs. We have one smaller dog and she is in our house most of the time, and the other dog is pretty big so he prefers to be in the garden.

In my free time I like meeting my friends, walking my dogs, going to the cinema, playing the guitar, doing make up...

My favorite food is pasta, but I really like trying new food.

I'm really looking forward to meeting people of the Erasmus-project and visiting the other country.
