

INTRODUCTION OF MYSELF

Hi,

My name is Hana Veljačić and I'm 15 years old. I live in Kastav, which is next to Rijeka. I live in a house with my parents Elvira and Zlatko, brother Benjamin and sister Uma. My mum doesn't work but she is housewife, my sister and brother, and my dad works in the company and sells cars.

In free time I like reading, watching movies, sleeping, playing football and socialize with family and friends.

My best friend is Lara and I love her very much because I can tell her everything and she always helps me when I need help and we love to eat together. 😊❤️
