Hello!

My name is Leo Vukasović, and everyone just calls me Leo.I am 15 years old and I was born on the 10th of February 2002

I live in a flat with both of my parents just a few hundred meters from the school.We do not have any pets in our flat, and I am an only child.

My mum works as an accountant in an office and my dad works in Africa with an oil company so he travels a lot so he is at home every two months

During my free time I like playing soccer and video games with my fiends, I like hanging out with other people, but if no one is around I am wery likely going to be playing video games. I like listening to music as well, I like rap music and I do not hawe any favourite artists. I also play waterpolloand i have been playing it for five years

I am glad that we are doing this project because i like travelling and meeting new people.
